

Festival of Grapes

**SILVER CREEK,
NEW YORK**

SEPTEMBER 25th, 26th, 27th, 1970

For the Ultimate in Harvesting Efficiency...

It's Wise To Be Mecca-nized!

Only Mecca-nized harvesting lets you pick grapes as close as 14 inches above the ground (this means more grapes per acre!) Only Mecca-nized harvesting lets you stay "on the level" even when picking on hills or slopes (exclusive feature permits chassis to be leveled, hydraulically!). Only Mecca-nized harvesting lets you use your own tractor for pulling power (no need to invest in additional power source!) The Mecca-nized Grape Harvester can be used with any conventional trellis system. A unique hydraulic drawbar enables the machine to turn at the end of a row in a headland of only 17 feet. Successfully proven with over twenty-five machines during two harvesting seasons, the Mecca machine exhibited virtually trouble-free performance while averaging 2-3 acres per hour grape picking capacity Plan now to Mecca-nize your harvest.

1969 GRAPE FESTIVAL QUEEN JANICE PATTERSON

THESE RECIPES PUBLISHED THROUGH THE COURTESY OF
E. I. DU PONT DE NEMOURS & CO. (INC.)
WILMINGTON, DELAWARE 19898

GRAPE DESSERT CLASS

1st & 2nd Place Won By:

Mrs. Joan Magliozzi, Fredonia, N. Y.

GRAPE MOUSSE

4 cups grapes
3/4 cups sugar
1/3 cup flour
1 t. lemon juice
1/2 t. lemon rind
1 envelop unflavored gelatin
1/4 t. salt
2 egg yolks, slightly beaten
1/2 pint heavy whipping cream
3 egg whites
1/4 t. cream of tartar meringue
1/3 cup sugar

Slip grape skins, cook pulp. Add water to make at least 1 cup if necessary. Mix together with sugar, flour, lemon, salt and egg yolk gel. (opt). Cook until thick. Remove from heat; cool in water while making meringue. Fold in the thick meringue and chill while making whipped cream. Fold in whipped cream. Chill and serve garnished with grape halves. This is also an excellent filling for Russe, (ladyfinger lined spring form pan 3" deep.)

2nd Prize

QUICK SPICED GRAPE CUPCAKES

Any Spice Cake mix (or if you prefer, your favorite recipe)

1/3 cup oil

Use 1/2 the water called for in the recipe and make up the liquid measure with gingerale.

Make the recipe for spice cake. Fill a cupcake pan with the paper cups. Put one tablespoon of the batter in each cup. Place two unpeeled, halved and seeded grapes in each. Fill to recommended fullness with more batter. Bake at recommended spice cake time and temperature. Ice with XXsugar frosting made with grape juice as the liquid. Decorate with a grape half.

3rd Prize Winner:

Mrs. Pat Clees, Silver Creek, N. Y.

GRAPE CHEESE ROLL

1 cup sifted all-purpose flour
1 teaspoon baking powder
1/2 teaspoon salt
3 eggs
1 cup sugar
1 teaspoon vanill
1/3 cup hot water
2 tablespoons powdered sugar

Filling

8 ounce package Cream cheese
grape preserves

Sift together flour, baking powder, and salt. Break eggs in large mixer bowl. Beat at high speed until lemon-colored. Gradually add sugar a tablespoonful at a time, beating constantly. Add vanilla. Reduce speed to slow. Add dry ingredients to egg mixture, beating only until blended. Add hot water all at once and beat to a smooth batter. Spread evenly in greased wax-paper-lined, 15 x 10 inch jelly roll pan. Bake in moderate oven (375) for 12 to 14 minutes. Loosen cake carefully from sides of pan with a spatula. Sift powdered sugar over cake, cover with towel, and turn out immediately. Remove wax paper. Quickly trim crisp edges of cake with sharp knife. Beginning with long edge, roll cake and towel together. Cool on rack. When completely cool, unroll and spread with softened cream cheese first then grape preserves. Roll cake up again (without towel) and slice desired thickness.

Better things for better living...through chemistry

HISTORY OF THE FESTIVAL OF GRAPES

A Festival of Grapes was envisioned by members of the Greater Silver Creek Area Chamber of Commerce and the Silver Creek Jaycees. A project of such magnitude, it was decided could not be successfully accomplished solely by one group or even with the combined efforts of these two organizations. Therefore, in the spring of 1968, after inviting local organizations, clubs and interested persons to a gathering, interest in the idea boomeranged, resulting in a successful three-day celebration supported by residents of the Lake Shore Grape Belt Area.

Rules, regulations and By-Laws were studied and after careful consideration by an appointed committee, the proposed By-Laws were adopted in January 1969 by a voluntary Board of Directors.

The present By-Laws call for a 23 member Board of Directors, 11 to be elected for a two year term each year by the entire membership. From the Board of Directors, a President, four Vice Presidents, Recording Secretary, Corresponding Secretary and Treasurer- all to serve one year terms in their respective offices are elected. The outgoing President remains as a member of the Board of Directors for the ensuing year.

The annual election of the Board of Directors is held in November prior to the Annual Banquet with voting by secret ballot by members in good standing. The President chooses the duties to be executed by each Vice President with the approval of the Board.

The goal of this Grape Festival Board is to promote Grapes and Grape By-products and work for co-operation by rural and urban communities in the Lake Shore Grape Belt Area. In order to accomplish this goal, the Festival of Grapes is held in Silver Creek annually, the last week end in September.

Membership is unlimited at \$1.25 per member for a period of one year, from January 1, to December 31, inclusive. The committee is striving for an enrollment of 1,000 members in 1970.

From the membership, all interested persons are needed to share their individual talents in the work load.

From the two previous Festivals, \$2,000 has been realized, and has been invested in interest bearing notes. A small reserve is used to cover operating expenses, publicity - such as place mats, brochures, posters and program books--all necessary to promote and advertise the Festival. Funds are also needed for prizes, trophies, decorations, to name just a few of the necessities. Each year publicity in all media including newspapers, radio and television commences early in the summer encompassing a great area such as Western New York State, Pennsylvania, Ohio and Ontario.

It is the desire of the Board of Directors to add to the \$2,000 account this year and give careful consideration to a definite and worthwhile use of these monies to benefit the Lake Shore Grape Belt Area.

Hamilton Clothier, County Supervisor

James DeJohn, Mayor

1st Row, left to right: Howard Wolfe, 3rd Vice-President; Mrs. Louis Mangano, 2nd Vice-President; Mrs. Frank Policella, Corresponding Sec'y.; Frederick C. Seegert, President; Mrs. James Brooks, Recording Sec'y.; Patrick Sack, 4th Vice-President; Mrs. H. Allen Barris, 1st Vice-President. 2nd Row: Mrs. Robert Lyman, Mrs. Jay Shaw, Miss Delores Egloff, Miss Jean Marie Pecoraro, Mrs. Hamilton Clothier, Mrs. Richard Millar, Sr., and Mrs. Alvin Haagland, Directors. 3rd Row: Marvin Smith, Elmer Schwenkel, Richard Crino, Directors; Robert Miller, Treas. Absent when picture was taken: George Catalano, Mrs. Glibert Smith, Robert Kittell and Roy Roberts, Directors.

This Program is dedicated to the memory of DELORES EGLOFF, who passed away August 16, 1970.

CROLLE AGWAY SERVICE

FORESTVILLE, NEW YORK

AND

FISCHER-SPIEGEL, Inc.

GENEVA, OHIO

***A New Team Now Serving The Famous
Chautauqua and Erie Grape Belt***

"We must satisfy a growing demand in our business, and we expect this arrangement to supply substantial quantities of Concords for years to come. We think the growers in the Eastern end of the Belt will appreciate the convenience of a short haul, and the service that the Crolle organization provides. We are ready for hand — or mechanically — harvested grapes; see Jim Crolle right away for a contract."

ROBERT FISCHER, FISCHER-SPIEGEL CO.

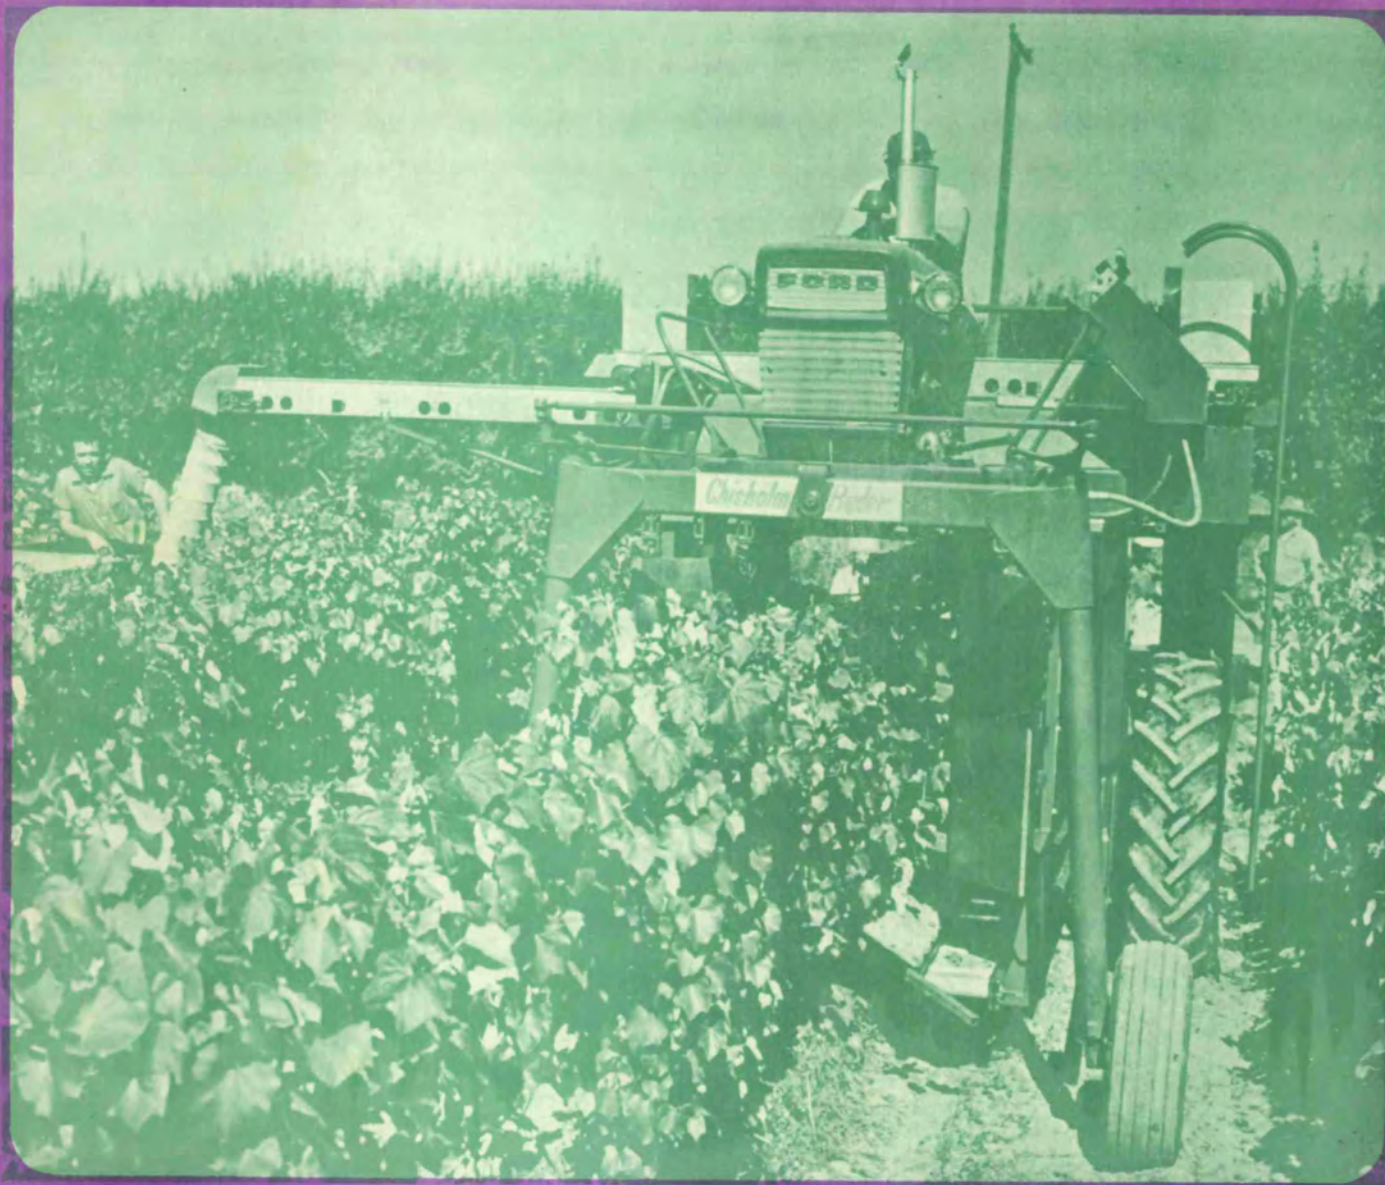

"Crolle Agway Service will be accepting and loading Concord grapes for Fischer-Spiegel in 1969 and for years to come, as another service to growers in the surrounding area. Their needs have increased to require grapes from this area. It makes sense for us to write the contracts and schedule the loads over our scales and into the bulk boxes on the trucks that will haul them to Geneva. Their contract is one of the best, their desire to cooperate is clear, and we at Crolle Agway expect to help our growers save on costs and still have a dependable market."

JAMES CROLLE, CROLLE AGWAY SERVICE

Plan To Deliver To Forestville

CROLLE AGWAY SERVICE

GRAPE HARVESTER

Chisholm-Ryder Mechanical Grape Harvesters are revolutionizing the wine and grape juice industries. Economic impact and success are termed "incalculable".

Equipped with Ford 4000 Diesel Power Unit and 10 Speed Selecto-speed Transmission and hydraulic motor driven throughout.

These grape harvesters pick one or more acres per hour and operate successfully on practically all varieties of grapes. Have all the facts at your finger tips by writing, wiring or phoning for complete information.
